

HENNEPIN COUNTY MINNESOTA

Apply for homestead online

Meeting you
where you're at.

After closing and moving in to your new home, you can apply for homestead online, anytime and anywhere. Homestead properties may be eligible to receive a homestead market value exclusion.

Qualifying for homestead

- You may qualify for the homestead market value exclusion if you own and occupy your home as your primary place of residence.
- Some relatives of the owner may qualify for a relative homestead, if they live in the owner's house.
- Application can be made when you move into the home you own by December 1.
- The deadline to submit a homestead application is December 15.
- You may qualify for a homestead market value exclusion, which may reduce your property taxes the following year.

Apply online

- Sign into the Hennepin County online services at hennepin.us/homestead.
- Complete the application via your computer, smartphone or tablet.
- Track the status of your application any time.
- To protect private information, this application uses a secure server and applicant registration with email login and password protection.
- Information will not be shared with outside parties.
- Applications will automatically be sent to the appropriate homestead office.
- Your homestead office will be able to contact you via email if they have any questions.
